Widows are specifically mentioned in Gods word as someone that we are to take care of. Serving someone that is not as independent as they used to be is a blessing and an honor.

During the winter, the cold can be life threatening. Sleeping bags, blankets, gloves, toboggans and occasionally a hotel room as funds allow, are provided to those who are in danger of freezing to death.

#### WARMING CENTER

We provide a place where friends who are affected by the rigid temperatures can come between the hours of 6am—5pm. A movie and hot drinks are provided. This is open at certain times when the temperatures and elements are unsafe. Call for specifics on openings.
