A
GUIDE
FOR
THOSE
WHO
WISH
TO
HELP
JESUS
HOUSE
ODESSA
RESIDENTS

Guidelines

This brochure is to bring awareness to the guidelines that every resident of Jesus House Odessa must abide by to get the results that they came to achieve.

We understand the impact the body of Christ has on one another. We also understand that sometimes the body of Christ can become enablers without realizing it. We ask that you please take the time to read these guidelines and also abide by them.

Our goal is to help our residents stay on course so that they can graduate and completely finish the program. Accomplishing what they started out to do will give them self esteem as they get out on their own.

With God's help first and others second finishing the program will be an accomplishment that many of them have never experienced.

GIFTS

Gifts of any type, no matter how large or small, **MUST** be brought to the director for approval and given at a time scheduled and in the main building only. This applies to everyone. NEVER give a resident money for any reason. They are taken care of very well in the program, and should not need money for anything. Part of the program is that they learn to live by managing what they have.

VISITORS

All visitors male or female must be approved of and scheduled through the directors office. Mothers, Fathers, Grandmothers and Grandfathers also must be approved for visitations.

RIDES

Absolutely No "rides" to run errands or for any other reason unless cleared through the director's office. These rules apply to everyone for their protection as we are not familiar with those giving the rides. We truly appreciate you for your willingness to help.

THANK YOU

For helping us to accomplish our goals and serve our friends!
